

VITALPEAK HP 70

Main advantages of the heated belt HP 70

Made of high quality
soft plush material

3 heating power levels

Controller with backlit
LCD display

Velcro fastening

Removable controller

Safety fuse against overheating
of the device

AC operation

Heated belt HP 70

helps to relax stiff and tired muscles and contributes to regeneration. The belt heats up quickly and evenly and, of course, automatically shuts off after 90 minutes of operation, which protects the device from overheating. It offers three levels of heating. The heated belt is made of a pleasant, soft plush material and equipped with a wide strap with Velcro fastening.

VITALPEAK HP 70

VITALPEAK are modern and reliable products for your good quality and more comfortable life. The ease of use, quality and high functionality of the products ensure comfort that makes life easier.

TYPE	Name	Heated belt
